

Project Facts

Foundation & Tunnel Waterproofing Midtown Exchange

Location:	Minneapolis, MN
Cost:	\$75,000
Start Date:	November 2004
Duration:	Three Months

Services Provided

- Liquid waterproofing
- Sheet waterproofing

Project Description

A segmented tunnel connecting a new parking structure to the renovated Midtown Exchange Building required extensive waterproofing. Using several techniques including vertical wall liquid waterproofing and sheet goods waterproofing, Ram Building Restoration & Waterproofing successfully completed waterproofing the segmented tunnel under extreme Minnesota weather conditions.
