

Project Facts

Exterior Restoration and Sealing City Center

Location: Troy, MI
Cost: \$856,000
Start Date: August 2005
Duration: Six Months

Services Provided

- Removal of building facade
- Surface preparation
- Window glazing
- Waterproofing

Project Description

Western Waterproofing Company removed the exterior coating from the metal panels on the facade on this 13-story building. The coating removal was completed with minimal disruptions while meeting critical surface preparation requirements. All existing metal panel joints and window glazing were removed, replaced and upgraded to ensure a watertight facility.
